

DIRECTOR OF FINANCE

Enduris is recruiting qualified applicants for a Director of Finance to direct, coordinate, and manage the finance and accounting functions for the organization.

Enduris is a local government risk pool composed of over 550 special purpose districts that join for the purpose of providing liability and property protection to its member entities. Enduris also provides risk management services to reduce the severity and frequency of losses and to decrease the costs associated with claims.

The successful candidate for the position of Director of Finance at Enduris will possess the following attributes: experience with a variety of accounting systems and organizations, ability to reconcile between accounting and operating systems, experience with cost accounting and detailed analysis, ability to manage data and prepare meaningful analysis, experience in financial management, and experience in providing leadership and vision to assist an organization in meeting its long-term goals. The successful candidate must be a confident communicator with an ability to understand complex issues and explain them simply. A Bachelor's degree is required; CPA is preferred. Experience in industry accounting is preferred.

The job description can be found at <http://www.enduris.us>. The position is open until filled. Salary is commensurate with experience.

To apply please send cover letter and resume to: Rafaela Ortiz, Chief Operating Officer at rortiz@enduris.us.
